## What happens in Vegas

Charity Ball is the League's largest annual fundraiser. This event provides Gainesville-Hall County high school students the opportunity to partner with local civic organizations to raise funds in support of the Junior League and its initiatives.

This was a record-breaking year made possible by our Belles, their families, the civic organizations, Co-Chairs and their committee.

### HOW OUR FUNDS ARE USED IN THE COMMUNITY:

Funds raised through Charity Ball is used to support the Junior League's mission of making Gainesville-Hall County a better place for children and families. A portion of the funds are also set aside for a Signature Grant, awarded every five years to an area non-profit. The participation of local civic organizations makes a significant impact on our fundraising efforts. It is because of our community's involvement that we are able to provide support to our community and local non-profit organizations through our grant programs.
